EXHIBITION AND CONFERENCE  
SEPTEMBER 3–5, 2024  
MEXICO CITY

INTERNATIONAL EXHIBITION AND CONFERENCE FOR  
THE SOLAR INDUSTRY

Shape the Future of Solar Energy at  
Intersolar Mexico:  
A Place Where Knowledge Meets Action

## EXHIBITION AND CONFERENCE

---

**Date: September 3–5, 2024**

**Time: 12:00 PM–07:00 PM**

**Venue: Centro Citibanamex, Mexico City**

[Register here](#)

Mexico is at a pivotal moment. The solar industry is set for significant growth with the upcoming National Energy Plan from the new government, prioritizing clean and renewable energy. This plan promises investment, innovation, and expansion in the sector, boosting its development and competitiveness.

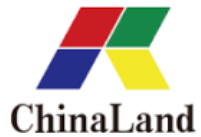

Be part of the first international gathering of the solar industry in Mexico under this new national framework. Here, creating synergies and building strong alliances will help you reach your professional goals.

Explore over 400 exhibitors from the photovoltaic, energy storage, and solar thermal sectors.

## INTERSOLAR MEXICO CONFERENCE 2024

---

The Intersolar Mexico Conference is a top-tier event that brings together international speakers, along with representatives from the public, private, and academic sectors, as well as investors, service providers, and energy experts, to discuss the latest trends in the photovoltaic, energy storage, and solar thermal markets.

CONFERENCE

# Schedule

Tuesday, September 3, 2024

Scan and plan your  
personal schedule.

## How to Keep Up with the Fast-Paced Global Energy Demand?

Tuesday, September 3 | 09:00 AM–09:30 AM

## By 2030: What Mexico's Solar Industry Could Achieve in Six Years

Tuesday, September 3 | 09:30 AM–10:30 AM

## Germany: How They Maximize Production with Just 3.2 kWh/m<sup>2</sup> per Day

Tuesday, September 3 | 10:30 AM–11:00 AM

## Business Strategies for Solar Industry SMEs

Tuesday, September 3 | 11:30 AM–12:30 PM

## Media, Marketing, and Communication for the Solar Industry

Tuesday, September 3 | 12:30 PM–1:30 PM

## The Impact of the "Fossil Fuel Non-Proliferation Treaty" on Mexico's Solar Market

Tuesday, September 3 | 1:30 PM–2:00 PM

## How Viable Are New Photovoltaic Applications in Mexico?

Tuesday, September 3 | 4:00 PM–5:00 PM

## Storage: What Can We Learn from Chile and the U.S.?

Tuesday, September 3 | 5:00 PM–6:00 PM

CONFERENCE

# Schedule

Wednesday, September 4, 2024

Scan and plan your  
personal schedule.

## Batteries: Key Highlights from EES (Electrical Energy Storage)

Wednesday, September 4 | 9:00 AM–9:30 AM

## Training Tomorrow's Solar Talent: The Impact of Virtual Reality in Education

Wednesday, September 4 | 9:30 AM–10:00 AM

## Enhancing Photovoltaic Engineering with Digital Tools: The Key to Successful Projects

Wednesday, September 4 | 10:00 AM–10:30 AM

## Quality and Risk Management in Photovoltaic Plants

Wednesday, September 4 | 10:30 AM–11:00 AM

## Fostering Solar Entrepreneurship and Startups

Wednesday, September 4 | 12:00 PM–1:00 PM

## Large-Scale Solar Projects in Northwestern Mexico

Wednesday, September 4 | 1:00 PM–2:00 PM

## Large-Scale Energy Storage: Alternatives to Lithium

Wednesday, September 4 | 4:00 PM–5:00 PM

## Public Policies Supporting Solar Energy in Mexico

Wednesday, September 4 | 5:00 PM–6:00 PM

## Ticket Options

Full Pass

Full Pass – Exhibitors and Government

Intersolar Mexico Pass

Intersolar Mexico Day Pass (choose September 3 or 4)

Prices\*

**\$8,850**

**\$6,300**

**\$7,350**

**\$4,550**

\*Prices in Mexican pesos, including 16% VAT.

Get professional training in designing, implementing, and maintaining solar energy projects to boost your service quality and grow your business portfolio. Join the course in the morning and explore the exhibition and tech talks in the afternoon. Plus, make the most of networking opportunities throughout the event.
